

Wheaton Park District SEVEN GABLES PARK

Permitted Field Locations & Regulations

Storm Policy

In the event of lightning or thunder, all games and practices must be held up until safe conditions are apparent. (It is recommended that you wait 30 minutes after the last sighting of lightning.)

Treat thunder like lightning. Thunder is the "explosive sound emitted as a result of the electrical discharge of lightning."

There will be a \$50 penalty fine assessed if teams are reported on the field during thunder or lightning.

The Wheaton Park District requests that coaches and parents please cancel and reschedule practice/games if the turf is too wet.

Guidelines for practice/game cancellation:

- Soft playing field
- Raining presently on a soft field
- Lightning/thunder
- Field weather conditions not conducive to safe play
- Common sense must prevail... if the fields are unplayable, practices and games should be cancelled.

Note: It is about a 10-20 minute walk From the Naperville Road Lot to Field H

Please use back parking lots off Winner's Cup Circle for soccer fields E, F, G. Always park in a parking space. Please be courteous of homeowners' property. Thank you for your cooperation.
